FONT: Artegra Sans Cn SC Black

Roboto Mono Bold Title

Roboto Mono Sentence: let's treat it like an overlay blue-
print register carved into the stem. Imagine the mushroom
tower diagram you uploaded, but with call-outs pointing to
the vertical stem, showing scratched graffiti names layered
like an archaeological record.

Here's how it would look conceptually (in text, so you can
apply it visually later in Illustrator/Webflow or layered
over the image):
